Re: Summer Homework

Prepare to be challenged! You are simultaneously enrolled in an honors American Literature class (Univ. of Calif. certified) and an honors American History class (Univ. of Calif. certification pending). You will have summer homework for both classes.

The very first thing you should do is join the Yahoo Group **AHCA 11th Grade Honors**. I will be using it throughout the year to communicate with you about assignments, tests, & cetera. Once you join the Yahoo Group, you will find your summer assignments.

Joining the **AHCA 11th Grade Honors** is easy. First, it may be helpful for you to find a copy of this letter on the Alma Heights website. On the website you will then be able to click on the following link (or copy and paste it to the address box in your web browser):

http://groups.yahoo.com/group/ahca_11th_grade_honors

Then click on the button that says "Join This Group!" and follow the directions. (You'll need a Yahoo ID. It's free, and it doesn't put you on any lists, unless you specifically ask for it.) Joining the group requires my approval. Be sure to give your name when requesting membership.

Congratulations! You are about to embark upon a voyage of discovery. Good luck, and God speed.

With prayer and affection,

Lou Shapiro
